

Sunday School and Discipleship Ministries International (SDMI)

Mesoamerica Region

OUR MISSION

The mission of Sunday School & Discipleship Ministries International (SDMI) is to carry out the Great Commission to children, youth, and adults in preparation for a lifetime of being and making Christlike disciples in the nations.

OUR VISION

Our vision is that for every local church, SDMI ministries will be an effective means of involving the whole church in discipleship throughout the week, providing a biblical foundation for life and holiness.

LOCAL SDMI PURPOSE

The purpose of the Sunday School & Discipleship Ministries International is fourfold:

- A. To be a people of prayer, engaged in The Word, making Christlike disciples.
- B. To intentionally develop relationships with unreached people so that they become Christlike disciples making Christlike disciples.
- C. To teach the Word of God to children, youth, and adults so that they are saved, sanctified wholly, and maturing in Christian experience that results in a life of compassion, evangelism, Christian education, and disciple making.
- D. To encourage everyone to faithfully engage in a discipleship ministry such as Sunday School/Bible studies, small groups, and other disciple-making ministries.

In order to support the vision of the Mesoamerica Region of "One million Nazarenes committed to Mission 2030", the following strategies are suggested to accomplish the above fourfold purpose:
